

MONTHLY SPECIAL FASTING PRAYER

MONTHLY SPECIAL FASTING PRAYER

MAY 10, 2008

By Gods abundant grace, we are successfully doing the TV ministry for the past 5 years. Our Program is aired in a popular TV Channel and we have a very good audience. Many people are really blessed through this ministry and quite a number of non-Christians have called us and shared their problems with us asking us to pray for them. God very clearly spoke to me to stand in the gap to intercede for these kinds of needy people. And as a result of this enunciation of the Holy Spirit, we have started to have a fasting prayer every 2nd Saturday of each month.

In the month of February nearly 400 people came for our first meeting and were blessed when I preached the word of God and prayed for them. There were 18 non-Christians who were led into salvation experience the same day and were greatly blessed.

During the second prayer and fasting meeting in the month of March, nearly 450 people attended of which many were non Christians and were richly blessed.. Nearly 30 people filled up the prayer request form and we earnestly prayed for all of them.

In the month of April we arranged for the transportation and brought in many people from different parts of the city to attend our meeting. God moved mightily in their midst performing signs and wonders..

During this month too there were nearly 500 people who attended the fasting and prayer meeting in spite of severe summer heat and were greatly touched by our Lord Jesus Christ. . There were quite a number of non Christians who gave their lives for the Lord on the same day. We received 63 prayer cards. At the end of the meeting we prayed for all of them and provided food for many poor people. They were blessed with both spiritual food and food for their bodies.

We are very much excited to see many non Christians come to these meetings by watching our TV programs regularly. We believe God to expand this territory and bring in many more people to watch our program to be richly blessed.

As result of our ministry, I am happy to report that last Sunday we gave baptism to 31 new souls at Kalavai, a village about 120 km from west of Chennai, who have accepted our Lord from other religion. Please pray that God will enable us to continue this ministry and win many more souls for His Kingdom. We give all glory and Honor to our Lord Jesus Christ. We also want to thank you who support this ministry and we earnestly pray that God will surely bless them abundantly now and after!
